Insulator for EBB Industry Design

| Part No.                          | 472 210            |
|-----------------------------------|--------------------|
| Material                          | UP (thermoset)     |
| Nominal operating voltage (50 Hz) | <=2 kV             |
| Permanent temperature range       | -40...+130 °C      |
| Terminal thread                   | M10 (length 12 mm) |
| Colour                            | red                |
| Dimension (d x h)                 | 32 x 40 mm         |
| Weight                            | 92 g               |
| Customs tariff number             | 85472000           |
| GTIN                              | 4013364096790      |
| PU                                | 1 pc(s)            |
