

Anschlussklemme

Part No. 371 009

material: TG/tZn

DEHN + SÖHNE

non-binding figure

application: overground	
conductor connected	test result
1st conductor : Rd 8 Al	N
2nd conductor : Fl 30x1 Al	

caption

withstand lightning current class H 100 kA (10/350 µs)

withstand lightning current class N 50 kA (10/350 µs)

Detailed data of testing conditions can be requested on demand.
